Sir,

The Rev Mr Williams thanks the Mysore Govt for the Municipal grant of Rs 150 and appeals to a further grant from Provincial funds, ~~Govt~~ on the ground that the subjects of the Mysore Govt had a free use of the Govt European Cemetery for 25 years.

Note

I do not see any connection between the user of the Govt European Cemetery for 25 years and the claim for a grant in regard to a Native Christian burial Ground. A Govt cemetery in existence for 25 years must I presume have been Constructed at the expense of Mysore Revenues. If the Govt of India is opposed on principle to making Grants for burial-grounds it is difficult to see how the public revenues of Mysore Can be drawn upon for grants for burial-grounds in territory administered by the British authorities. It seems to me that such charities are not legitimate charges upon Provincial funds. The native Christians of the Pettah bury their dead in Gori-palya behind the fort. It also appears to me that the municipal contribn of 150 was not a legitimate item of municipal expenditure. JP.
